

TELL US HOW IT WENT

If your application to Mercury Kawerau community fund is successful and you accept the grant, please complete this form within six months of the completion date you proposed within your application.

We're proud of the part that the Mercury Kawerau Community Fund has played in supporting your project or mahi. We want to know more about what you're doing and how your funding application benefited the local community.

Your story might become part of our story - what we tell your community, our teams, and via social and traditional media:

- The contents of this form may be used in promotional material to tell this story.
- We may collect any personal information included in this form, or provided by you in relation to the project, in order to promote the story of your funding.
- If you apply for further funding from the Community Fund, we will take a look back at this report to look at how you spent the money last time.

You can access or correct any personal information by contacting us at geothermal@mercury.co.nz

Remind us about your project.

Applicant / Project name
Contact person
Phone
Email
Amount of grant

Show us what you've done.

Please email us photos of your completed project/ initiative: geothermal@mercury.co.nz

Tell us more.

Please give us a short summary of your project/initiative and how the money that the Fund provided was spent.
(use additional pages if required)

How did it make a difference?

How has your project made a positive difference to your community and/or the environment around the Kawerau geothermal power station?

I agree to participate in any publicity generated by Mercury (or Mercury's marketing partners), and to the use of the applicant's name, project that the grant has been awarded for and photos of the finished product for promotional purposes.

I certify that the information concerning this Report Back Form is true and correct and in-line with the funding guidelines.
