

THE TAURANGA COMMUNITY FUND.

We know this is a community where people get things done. Our team is spread throughout Aotearoa, and Tauranga is home to many of our people.

To help support the community where many of our wonderful people live, work and play, we have created the Tauranga Community Fund to support those who care for people, place and future.

BEFORE YOU START.

Before you fill out the following application form, please take a minute to ensure your organisation is eligible for a grant by checking it against the following benchmarks:

- Is your community organisation based within the outlined area on the map below?
- Will your project expenses (applied for in this application) be incurred in New Zealand? Expenses applied for must be incurred within New Zealand, with the exception of items purchased overseas that are not available in New Zealand.
- Is your application future-focused? All grants need to be applied to specific and future-based purposes. No retrospective applications will be accepted e.g. deposits and purchases made prior to the approval of the grant.
- Could your application be considered a conflict of interest? There must be no conflict of interest existing between the applicant group and the provider of the goods and services.
- We will not consider applications that request funding for:
 - Individuals
 - Anything that is required to be carried-out as part of a government-funded contract.
- If funding is required towards general running costs (power, landline telephone, rates or building insurance) copies of invoices for the previous three months need to be supplied.
- Applications for existing salary positions must provide a signed employment contract clearly stating the term of the contract, employee's name and rate of pay, together with a position description.

HOW IT WORKS.

We take Tauranga Community Fund applications from community organisations during three funding rounds per year, as per below:

- March: opens 1 March, closes 31 March
July: opens 1 July, closes 31 July
November: opens 1 November, closes 30 November
- Applications for each funding round must be made using the official application form, and be received by 5pm on the last working day of that month.
- If applications are received outside of the funding round dates they will be included in the next funding round.
- Applications won't be considered unless the application form is fully completed and accompanied by all required supporting documentation.
- Only one application per community organisation will be accepted per funding round. (Eligible organisations are limited to two successful applications per calendar year).
- An evaluation panel made up of representatives from different teams and different roles at Mercury considers all applications and decides who receives funding. This panel will change from round to round.
- Applicants may have their funding approved in full or in part at the sole discretion of Mercury.
- Our grants team works hard to process applications as quickly as possible. We endeavour to respond to applicants (both successful and unsuccessful) during the month following each funding round.
- Successful applications may be posted on Mercury's website, social media pages and other communications.

If you're unsure about anything, please email taurangacommunityfund@mercury.co.nz to clarify your eligibility.

SUPPORTING SOCIETY.

Referring to our 'What's important to us' criteria, please explain how your work aligns with and supports people, place and a sustainable future. Fill out all sections that apply. If more space is required please use the 'extra notes' space at the end of this application form.

Manaakitanga – caring for our communities and people, and putting people at the heart of the decision. Please explain how your work contributes to care for people.

Kaitiakitanga – taking up the role of guardian and protector of our environment, for future generations. Please explain how your work contributes to the role of kaitiaki and addressing environmental change.

A Sustainable Future – improving, growing, trying new ways and learning to make change work for us. We do it together and we do it smartly. Please explain how your work contributes to working together to change, learn, adopt, adapt, automate and connect.

EXPECTATIONS OF SUCCESSFUL APPLICANTS.

We might want to celebrate our work with you. Therefore: You agree to participate in any publicity generated by Mercury (or Mercury's marketing partners), and to the use of the applicant's name, project that the grant has been awarded for and photos of the finished product for promotional purposes.

We would like to hear about how your project has gone and we may reach out after funding has been distributed to find out more about how the project went and how it made a positive difference to the community and we'd love to see photos (if appropriate).

Data privacy is important. This is what you need to know: We may collect any personal information included in this application form, or provided by you in relation to your application or project, in order to assess your application, apply funding if you are successful, monitor the project and promote the story of your funding.

You can access or correct any such personal information by contacting us at **taurangacommunityfund@mercury.co.nz**
