THINGS TO KNOW.

I understand that this offer is only available to new Harrisons Solar customers.

I confirm that I am the owner of the property at the installation address stated above and/or that I am authorised by the owner to install an import/export meter at this address.

I agree to abide by the General Terms and Conditions for Residential Customers or General Terms and Conditions for Business Customers.

I understand that the meter installation is being completed free of charge as part of the Harrison's Solar buy-back offer with Mercury. The meter change job will commence once the switch is complete (if applicable).

I understand that my current pricing plan may change as a result of the new meter installation.

If you are registered for GST, you must provide Mercury with your GST number in order to sign up to this offer.

I understand that once the meter change job has been logged it can take at least 10-15 working days to complete.

I understand that if asbestos is found on my meter board there will be a fee of \$120 for this. I also understand that if the contractor turns down the work due to health and safety reasons, there will be a fee of \$69 added to my account.

I understand that if required, my data will be shared as required with Harrisons Solar as part of receiving the buy-back offer, and will be used by Harrisons Solar, in accordance with their Privacy Policy.

I have included/attached a copy of my accepted network application.

DECLARATION.
